Description

Sleek, swanky modern architecture emerges from picturesque St. David's village of Niagara-On-The-Lake with views of the escarpment and Toronto from the master bedroom front balcony. If you are searching for cutting edge building advances at every corner, look no further than this fully finished, fully equipped, three level, 3000sq.ft., 3+1 bedroom modish design, replete with in floor heating system, ICF foundation, hot water on demand, glass tiles and railings, and magazine cover showcase kitchen featuring built in Miele appliances, quartz counters and soft closing drawers positioned expertly in an open concept, naturally lit floor space. Boasting two levels of balconies to exploit a priceless, panoramic sky view, this sparkling new luxury listing impresses the discerning eye while seeing into the future of luxury lifestyles with the other. One visit is a step into a designer's imagination. Book your appointment today. (id:21297)
